St. Bernadette Early Learning Center

*Today's Learners
Tomorrow's Leaders*

Our Philosophy

Acknowledging that parents are the primary educators, St. Bernadette will:

- Inspire students to embrace an ongoing relationship with God.
- Foster a spirit of lifelong, diligent learners who demonstrate perseverance and promote each student's unique talents.
- Provide an environment that encourages self-confidence, self-respect, and respect for all life.
- Build a community based on peace and social justice by sharing the virtues of faith, hope, love, and service.

Inspiring a love of God and learning!

Our School

St. Bernadette Early Learning Center is a ministry of St. Bernadette Parish. In addition to academic excellence, our children are taught to respect themselves, their community, and their world.

Our Teachers

Our teachers are dedicated and nurturing. They set the stage for lifelong learning and encourage the development of positive social skills. Our teachers are CPR/First Aid certified and participate in on-going professional development to provide the highest quality of care.

St. Bernadette ELC is licensed by Washington State Department of Early Learning.
