TEACH BY WORKS MORE THAN BY WORDS. ST. TERESA OF AVILA

November's time change and shorter days remind us we are preparing to celebrate Thanksgiving.

We have conferences on November 20 and 21 which you may [schedule here](#). Conferences allow parents/guardians, students, and teachers to meet and talk about student success and opportunities for improvement. Parents/Guardians only will meet with teachers in PS/PK and K-2. Parents/Guardians and students in grades 3-8 will meet with teachers. Conferences remind student that we all care about their academic and social growth. If you have not signed up for a conference, please do so today.

Our annual fall food drive is underway! Please see the last page for needed items. Classes are again competing to see who brings the most donations. Thanks to our Student Leaders for helping coordinate this important service for our neighbors in need.

Please remember to send your student with a raincoat or jacket every day. Students go outside for recess daily, even if sprinkling. Coats are important for warmth and keeping dry.

Get ready to [Give Big](#) on Tuesday, November 28! All donations directly benefit students. If you would like to provide a matching gift for the day, please contact Mrs. Flohr.

Blessings, Mrs. Thomas

Vietnamese Pho Dinner is back!
