TEACH BY WORKS MORE THAN BY WORDS. ST. TERESA OF AVILA

'Tis the season for cold and sometimes icy weather so we want to be sure you know that in the event of closure due to inclement weather, phone calls, texts, and emails are sent as early as possible, through Finals site. Since conditions vary greatly where our families and teachers live, safety is first! Late start is two hours late (10:30 AM) There is NO Preschool, Pre-K, or Extended Day with late start. If you are concerned about conditions in your area please err on the side of caution and call the office, 206.244.4934 to report your student's absence.

We enjoyed a great 5-8 grade assembly with Dr. James Knight about humility, how to address challenges, and the part we all play in shaping the future. *"Be the reason someone feels welcome, seen, heard, valued, loved, and supported."* [More at his website here.](#)

Blessings, Mrs. Thomas

Mother Teresa 'No Greater Love'

A Film on the Remarkable Life of Mother Teresa

Produced by the Knights of Columbus, filmed on five continents and featuring unprecedented access to both institutional archives and the apostolates of the Missionaries of Charity, *Mother Teresa: No Greater Love* chronicles the life of Mother Teresa and the profound spiritual and Physical impact she and the Missionaries of Charity have had — and continue to have — on Catholics and non-Catholics alike throughout the world. The documentary also addresses Mother Teresa's admitted periods of spiritual darkness while serving the poorest of the poor, and her friendship with another revered saint, Pope John Paul II.
