TEACH BY WORKS MORE THAN BY WORDS. ST. TERESA OF AVILA

Thank you for getting your students to school well rested and fed - MAP testing is underway for students K-8. Results will be sent home after the testing window closes.

Winter Conferences are coming up February 15 by teacher or parent request only.

Just want to remind you that if school is cancelled, or we have a late start, due to inclement weather, you will be notified via text message and email from school. We consider the safety of our families and teachers when making this decision.
