Mother Teresa 'No Greater Love'

A Film on the Remarkable Life of Mother Teresa

Produced by the Knights of Columbus, filmed on five continents and featuring unprecedented access to both institutional archives and the apostolates of the Missionaries of Charity, *Mother Teresa: No Greater Love* chronicles the life of Mother Teresa and the profound spiritual and Physical impact she and the Missionaries of Charity have had — and continue to have — on Catholics and non-Catholics alike throughout the world. The documentary also addresses Mother Teresa's admitted periods of spiritual darkness while serving the poorest of the poor, and her friendship with another revered saint, Pope John Paul II.
